## Pantone Colour Of The Year 2022-2023

# PANTONE®

### *Pantone Colour Task*

- ✓ Choose your favourite colour, name it and see if you can find items in that shade like this years collection below.
- ✓ Can you say why it's your colour for 2023?

**PANTONE®**  
17-3938 TCX  
Very Peri

Check out the link below for more information on this years colour Very Peri and the previous 21. You can also see what harmonises, is opposite this and other colours and more on the Pantone website

[Pantone Color of the Year 2022 / Introduction | Pantone](#)

*Can you decide on the next on trend colour for 2023?*

*Pantone are always looking for everyone's next favourite colour. They look at trends, films, fashion, nature, music, influences and communities worldwide.*

*What's your inspiration?*
