## **POST-RESULTS SERVICES:** for A-level examination results 2024

Dear Student,

In anticipation of receiving your A-level results, please read the following information. If you have any queries about your results, it is important to seek advice initially from a teacher. Please remember you do not need to seek help specifically from your subject teacher – staff including members of the 6th Form Team will be on hand all morning of results day to help you.

The post results services available, including costs (per exam paper) and deadlines are outlined in the table below.

**Please note there is only a need for urgency on results day if you have a University/Higher Education place pending.** It is vitally important that you inform the relevant university/college if you are intending to request a priority review of marking, as they **may** be able to keep a place open until the review has been completed.

Consent forms for any of the services listed are available from the Exams Office via [exams@uvhs.uk](mailto:exams@uvhs.uk) We must have received the **consent form from your school email address and payment** before requests can be submitted to the exam boards.
